

SUPER SILICONE WET MIST H1, Food Grade

This NSF-certified silicone spray offers a high-dispersion, water-like mist that leaves a long-lasting colorless, odorless film.

Lubri-Loy Catalog#: 14019

- ➔ Provides exceptional lubrication for any type of surface including rubber, metal or glass
- ➔ Excellent for all types of food processing applications
- ➔ Fast solvent evaporation leaves a thin film of lubrication that prevents rust
- ➔ Wide-ranging temperature capabilities -- from extremely cold to hot

Applications include:

- Heat Sealers
- Kettles
- Trays
- Cutters
- Saws
- Mixers
- Blenders
- Guide Rails
- Knives
- Cutting Equipment
- And Stainless Steel Substrates

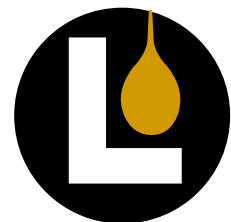

Excellent, ongoing maintenance tool
